---

This enormous bay 2000 gelding turns heads at nearly 18 hands. Yes, you read that correctly - 18 hands! After a long, successful career at the track, Hello Fame is ready for a change. He is a fancy mover, and will attract attention as a dressage horse or in the show ring. He is sound for any discipline and is sure to excel in a second career. He does not have any vices and is said to trailer well in a standard size trailer. His trainer recommends a more experienced rider for Hello Fame as he is still ultra-competitive and full of life. He is located at Barn #12 at Beulah Park. More pictures and video available upon request - [email Mary](#) .
